

What is The Vine Institute?

The mission is to **connect**, **educate**, and **celebrate** the love of Christ across many cultures.

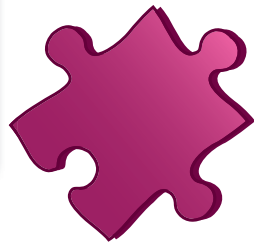

Why are we doing this?

Rev 7:9 ". . . there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb."

God is at work making this vision a reality. In the last 30 years, the number of international refugees and immigrants in Utah has grown from less than 30,000 to over 230,000. Many are Christians. The Body of Christ here is becoming a 'minority majority' like that multitude! What an opportunity from God!
